#### ANTECEDENTES

Hawai'i Technology Academy is the largest charter school in Hawai'i. The fifth grade educators are weaving in global goals within their curriculum, starting off with research, then speeches, and projects. CIFAL Honolulu hosted a webinar to educate the students about the goals and inspire them with their projects!

## **OBJETIVOS DEL APRENDIZAJE**

Sustainable Development Goal learning and application to "Passion Projects"

## **CONTENIDO Y ESTRUCTURA**

Introductions, SDG Lessons, What CIFAL Honolulu does that is SDG Related

## **METODOLOGÍA**

Talanoa methodology (talk story; interactive webinar)

## **PÚBLICO OBJETIVO**

Fifth Grade students

## **INFORMACIÓN ADICIONAL**

The participant list is attached to this form. It does not include majority of the participants due to the 5th graders parents wanting to keep their child's information discreet. If you would like more information, please contact us.
