ANTECEDENTES

Welcome to the ECCLPs online Annual Forum Symposium! Unite with PK-16 students, educators, researchers, and community partners for a transformative journey. Dive into knowledge-sharing, professional development, and

collaborative networking to empower change. Together, let's champion climate literacy, justice, and action, turning challenges into opportunities for a greener future. Your journey begins here – where passion meets purpose! CIFAL Honolulu participated in this symposium by giving a workshop about UNITAR and the SDGS.

OBJETIVOS DEL APRENDIZAJE

Enhance climate literacy, promote climate justice, collaborate networking, community engagement, professional development

CONTENIDO Y ESTRUCTURA

Who we are (UNITAR, CIFAL, CHAMINADE); Millenium Development Goals to Sustainable Development Goals; Projects and Programs at CIFAL Honolulu; Questions and Talk Story

METODOLOGÍA

Use of Google Slides and Slido for interactive presentations
