ANTECEDENTES

Marianist Leadership Center hosted a mental health day activity in partnership with CIFAL Honolulu and the Pono Popoki Project. The Pono Popoki Project is a trap neteur and release program that helps reduce the cat population in the community. Cats are invasive species in the Pacific that harm the native wildlife. PPP hosted a kitten cuddle day with some of the kittens they are adopting out!

METODOLOGÍA

Open workshop for people to come hangout

PÚBLICO OBJETIVO

Undergraduate students, community members
