ANTECEDENTES

The "Politics and Society Research Seminars: Europe Day Seminar on Current Crisis and Future of the EU" brings together experts to explore the European Green Deal, Turkish-EU relations, and the rise of right-wing politics in Europe. This event provides a platform to discuss the EU's climate policy goals, the

complexities of its relationship with Turkey, and the impact of right-wing populism on European politics, addressing key challenges and opportunities for the EU's future.
