ANTECEDENTES

CIFAL Madrid, in collaboration with RACE and as part of the UNITAR CIFAL Global Network, delivers specialised road safety and safe driving training for corporate and professional audiences. These courses are tailored to strengthen participants' capacities in identifying risk factors, adopting defensive driving

practices, and improving safe mobility.

OBJETIVOS DEL EVENTO

To enhance road safety awareness and improve safe driving behaviour among Amazon staff.

OBJETIVOS DEL APRENDIZAJE

Participants will improve their understanding of driving risk factors and apply safe and defensive driving principles in professional contexts.

CONTENIDO Y ESTRUCTURA

Road safety fundamentals, driving risk factors, defensive driving techniques, and accident prevention strategies adapted to corporate needs.

METODOLOGÍA

Instructor-led face-to-face training combining theoretical inputs with practical examples and applied exercises.

PÚBLICO OBJETIVO

Amazon employees
