## OBJETIVOS DEL APRENDIZAJE

- Strengthen collaborative leadership capacities among diplomats and officials.
- Promote inclusive, responsible, and ethical leadership practices.
- Address barriers to collaboration in multilateral environments.
- Support effective partnerships aligned with the SDGs.
- Encourage action-oriented leadership strategies for social development.

## CONTENIDO Y ESTRUCTURA

The three-day workshop covered collaborative leadership principles, barriers to collaboration, responsible leadership and the SDGs, practical collaboration tools, global social development challenges, poverty-to-prosperity transitions, and gender-transformative leadership in cities. Sessions included expert lectures, reflection exercises, case studies, and team-based strategy development.

## METODOLOGÍA

The workshop was delivered in person through interactive sessions combining expert presentations, guided discussions, personal reflection exercises, Q&A sessions, and team-based strategy development. Participants engaged in practical exercises to identify strengths, overcome collaboration barriers, and design action plans. Case studies and real-world examples reinforced applied learning and peer exchange.

## PÚBLICO OBJETIVO

Diplomats, government officials, and representatives of Permanent Missions based in Geneva.
