➡ Dr Richard Hodgkins, Programme Leader and Reader in Climate Futures, Loughborough University

*This webinar is an informative session; no certificates of any kind will be issued for this webinar.

CONTENIDO Y ESTRUCTURA

This session offers a practical overview of the programme's structure, flexible learning options, and academic pathways. Participants will hear directly from faculty and programme coordinators about the skills developed, learning experience, career opportunities and updates regarding the programme.

A key feature of the session is an open Q&A, where attendees can ask questions and engage directly with the programme team.

PÚBLICO OBJETIVO

Whether you are already working in policy, development, or humanitarian contexts, or preparing to enter the field, this session will help you reflect, learn, and plan your next step.
