### ANTECEDENTES

Gender Matters is an open, self-paced course meant to provide an introduction to the concept of gender.

### OBJETIVOS DEL EVENTO

The course shows the complex concept of gender and the inequalities that exist in the environment. At the end of the course participants will be able to:

- Define gender as a concept socially embedded;
- Describe key gender-related terms;
- Distinguish between different conceptualizations of gender;
- Identify sources of gender inequality in their environment

## CONTENIDO Y ESTRUCTURA

The course is comprised of 8 sections:

- Section 1: Defining gender
- Section 2: Gender vs. sex
- Section 3: Gender as a social construct
- Section 4: Gender as order
- Section 5: Gender as power hierarchy
- Section 6: Gender as shared identity
- Section 7: Gender stereotypes
- Section 8: Masculinities
- Section 9: The UN approach to gender

The average work time is estimated at 2 hours.

## METODOLOGÍA

The course is a self-guided, self-paced, web-based course that is on-going and can be accessed at any time. The material is presented in an interactive visual and text format with web-based reference resources. Multiple choice quizzes at the end of each lesson serve a dual function of assessing and evaluating the students' understanding and retention and provide a further didactic function by reviewing the content.

## PÚBLICO OBJETIVO

Open to public.
