#### ANTECEDENTES

Tourism as an economic powerhouse is the third highest world category in export earnings in 2015, representing 10% of world GDP, 30% of services exports and 1 out of every 10 jobs in the world. Tourism has the potential to contribute, directly or indirectly to all of the goals. In particular, it has been included as targets in

Goals 8, 12 and 14 on inclusive and sustainable economic growth, sustainable consumption and production (SCP) and the sustainable use of oceans and marine resources, respectively.

Through this webinar, CONGOPE and CIFAL ECUADOR provide information and recommendations so that we can better prepare for the future of tourism.
