#### ARRIÈRE PLAN

“The 2030 Agenda for Sustainable Development, adopted by all United Nations Member States in 2015, provides a shared blueprint for peace and prosperity for people and the planet, now and into the future. At its heart are the 17 Sustainable Development Goals (SDGs), which are an urgent call for action by all countries - developed and developing - in a global partnership. They recognize that ending poverty and other deprivations must go hand-in-hand with strategies

that improve health and education, reduce inequality, and spur economic growth – all while tackling climate change and working to preserve our oceans and forests.” A way to bring the SDGs closer to society and to raise awareness is with the younger population, children. This way CIFAL Málaga carries out workshops with kids to teach them about the Goals for 2030.

## **MÉTHODOLOGIE**

The workshop was conducted at Casita del Jardinero, CIFAL Málaga´s office.

## **AUDIENCE VISÉE**
