ARRIÈRE PLAN

The [Climate Classroom](#) is a short, interactive learning experience designed to help those attending or following climate meetings get quickly up-to-speed on important climate issues. The Climate Classroom @ COP29 will be UN CC:Learn's

12th edition, and once again, our team of experts will deliver a series of free online classes that introduce learners to a range of climate change topics - allowing delegates, professionals, and other interested parties to follow and contribute to climate discussions.
