ARRIÈRE PLAN

UNITAR NYO is proud to announce the launch of DiploTools, a company founded by a former delegate dedicated to enhancing the efficiency of diplomats and foreign ministries through innovative digital solutions. DiploTools offers

specialized tools that streamline tasks and automate processes, allowing diplomats to focus on what truly matters.

Their flagship product, PowerElection, developed in collaboration with UNITAR, is designed to simplify and manage election-related work for missions and ministries, reducing bureaucratic hurdles and boosting productivity.

Join us on 19 November from 11 AM to 1 PM for the official launch of DiploTools and a live demo.
