ARRIÈRE PLAN

A global initiative focused on empowering stakeholders in the airport sector.

OBJECTIFS DE L'ÉVÉNEMENT

The initiative aims to address the underutilization of resources and infrastructure, foster global collaboration and knowledge exchange among airport sector stakeholders, and facilitate Airport-to-Airport (A2A) partnerships for knowledge exchange.

OBJECTIFS D'APPRENTISSAGE

The workshop aims to:

- Equip airport executives and authorities with strategies for economic growth
- Provide cutting-edge strategies in critical areas: competitiveness, cargo logistics, revenue strategies, safety, and sustainability.

CONTENU ET STRUCTURE

Key Topics of this event:

- **Technological Innovations**
- **AI**
- **Cybersecurity**

MÉTHODOLOGIE

The methodology consists of two-day workshops designed for 50+ participants. EI2 identifies and recommends expert speakers to ensure high-quality discussions. The workshops emphasize interactive learning through engaging discussions, group assignments, action plans, and practical applications. Participants will also share best practices through panel discussions and expert lectures while collaboratively building action plans for future cooperation.

AUDIENCE VISÉE

- Representatives of civil aviation and regulatory authorities

- Airport managers
- Authorities overseeing, owning, or servicing airports
- Chambers of Commerce officials
- Commercial and economic development officials
- Business Leaders
