ARRIÈRE PLAN

The LEAP-FAST programme was launched as a flagship partnership between UNITAR, UNESCO, and Majmaah University to accelerate sustainability

transformations in higher education. This first edition brought together faculty and leaders from global universities to design institutional, curricular, and pedagogical innovations aligned with the SDGs. Activities included self-paced learning, peer learning, virtual and in-person workshops, and collaborative assignments across 10 weeks.

OBJECTIFS DE L'ÉVÉNEMENT

- Define and apply core sustainability competencies across education
- Reframe curriculum and programme structures to empower sustainability actors
- Evaluate institutional gaps and barriers to sustainability transformation
- Design action plans and teaching strategies for implementation in home institutions
- Foster collaboration across faculty and administrative units for integrated transformation

OBJECTIFS D'APPRENTISSAGE

- Define and apply core sustainability competencies across education
- Reframe curriculum and programme structures to empower sustainability actors
- Evaluate institutional gaps and barriers to sustainability transformation
- Design action plans and teaching strategies for implementation in home institutions
- Foster collaboration across faculty and administrative units for integrated transformation
