CONTEXTE

The Canadian Celebration of Women in Computing (CAN-CWIC) is one of Canada's largest gatherings supporting women's participation, visibility and advancement in computing and digital technologies. By partnering with CAN-CWIC, CIFAL York supports gender equality initiatives aligned with SDG 5 and the promotion of

inclusive STEM pathways.

OBJECTIFS DU COURS

- Highlight contributions and leadership of women in computing and technology.
- Provide networking and mentorship opportunities for women and gender-diverse participants.
- Promote inclusive learning and career pathways in STEM disciplines.
- Strengthen collaboration among academia, industry and community organizations.

CONTENU ET STRUCTURE

- Keynote addresses from women leaders in STEM
- Panel discussions on career progression, inclusion and innovation
- Industry networking sessions
- Student project showcases and competitions
- Community engagement activities

MÉTHODOLOGIE

- Panel discussions
- Keynotes
- Networking and exhibition sessions
- Interactive dialogues

AUDIENCE CIBLE

Students, early-career professionals, academics, industry leaders and organizations promoting gender equality in technology.
