CONTEXTE

The SDG Open Hack is an atypical 24-hour hackathon, in partnership with United Nations Institute for Training and Research (UNITAR), Open Geneva, University of Geneva, tertiary education institutions, universities and corporate partners in Singapore! The 2025 theme is "From Ideas to Sustainable Impact".

OBJECTIFS DU COURS

The SDG Open Hack aims to cultivate sustainable innovation through solving challenges on pertinent sustainability topics and promoting collaboration across diverse disciplines and fields.

AUDIENCE CIBLE

This competition is open to current tertiary education institutions and university students studying in Singapore with a keen interest in developing innovative solutions to tackle the [17 UN Sustainable Development Goals \(SDGs\)](#). Students from all backgrounds with diverse skillsets may register.

Students are encouraged to form teams across institutions and disciplines and selected teams can present to our panel of judges at the Grand Finale and Awards Ceremony!
