CONTEXTE

UNITAR is an autonomous institution within the United Nations system with a mission to deliver innovative training and conduct research on knowledge systems to develop the capacities of its beneficiaries. As the training arm of the United Nations, UNITAR's mission is to develop capacities to enhance global decision-making and to support country level action for shaping a better future.

The University for Peace (UPEACE) is an institution of higher education dedicated to the study of peace. Created by UN General Assembly Resolution 35/55, the University for Peace has been training leaders for peace for the past four decades. Through its Master's and Doctoral degree programmes, UPEACE trains future leaders to explore and formulate strategies and practices in various contexts to address the causes of multiple problems affecting human and global wellbeing, and thus contribute to the processes of peacekeeping and peacebuilding.

OBJECTIFS DU COURS

As part of the MA in International Law and the Settlement of Disputes, offered in cooperation with the University for Peace (UPEACE), UNITAR designed a 5-day field visit to Geneva, Switzerland, offering participants a full immersion into the city's international working environment.

In line with UNITAR's mandate, its main purpose is to enhance participants' knowledge and skills related to international affairs and diplomacy. This will enable them to work more effectively and efficiently in any multilateral setting.

UNITAR lastly intends to strengthen the participants' conviction of the principles enshrined in the UN Charter, especially multilateralism. In the long term, this

does not only result in participants' more favourable view on the organisation, but also in a higher willingness to cooperate across borders.

CONTENU ET STRUCTURE

Hosting 35 international organizations and more than 250 NGOs, the city of Geneva offers itself for a whole series of potentially formative experiences. UNITAR hosts the activity in the headquarters of the World Meteorological Organization (WMO) and provides a nuanced balance between the following different components:

- United Nations High Commissioner for Refugees (UNHCR)
- World Health Organization (WHO)

Guided Tours:

- The United Nations' Palace of Nations (3-hours extensive private guided tour)

- The Museum of the International Committee of the Red Cross (ICRC)
