CONTEXTE

At CIFAL Brussels, we host a series of SDG Lectures throughout the year as part of our partnerships with organisations, NGOs, and businesses. These lectures are designed to provide valuable learning and training opportunities for employees on topics related to the Sustainable Development Goals (SDGs), sustainability,

corporate social responsibility (CSR), and more. As these lectures take place multiple times throughout the year with different partners, they are grouped here as one SDG Lecture.

CONCEPT

The SDG Keynote is for participants looking to learn more about the UN 2030 Agenda for Sustainable Development.

The keynote can be in Dutch, English or French.

The keynote can be delivered at your location (in-house) or online

The duration is tailored to your preferences.

OBJECTIFS DU COURS

To provide participants with a clear understanding of the 17 Sustainable Development Goals, and to provide learning and training opportunities for employees on topics related to the Sustainable Development Goals, sustainability, corporate social responsibility, and more.

LEARNING OBJECTIVES

- Understand the themes covered by the 2030 Agenda for Sustainable Development and the translation of the global Agenda to local actors
- Recognise the link between sustainable development, corporate good governance (business ethics) and human rights
- Acknowledge the responsibility of organisations to act for sustainable development, as well as the opportunities working with the SDGs brings along (business case)

CONTENU ET STRUCTURE

Introduction to the SDGs and Agenda 2030, their relevance to global and local contexts, practical strategies for implementation, examples of best practices, interactive activities, and tools for continued learning and collaboration.
