CONTEXTE

The main component of the **Executive Diploma in Diplomatic Practice** is a series of 8 workshops, which fall within UNITAR's **Core Diplomatic Training (CDT)**.

The format of the programme consists of two-day executive-style training workshops, delivered face-to-face to diplomats and other beneficiaries so that they can perform effectively in multilateral environments. The workshops take place at the Palais des Nations, UNITAR premises, or another venue in Geneva, Switzerland.

UNITAR has been delivering CDT courses since its inception in 1965 and the courses are traditionally considered the “core” training of the Institute. By definition, CDT implies training that is multilateral in character and offered in a multilateral context. All Member States and the United Nations, collectively, benefit from greater knowledge on how to operate in the multilateral setting and perform effectively and efficiently.

CDT covers training in international cooperation and multilateral diplomacy, and is aimed at enhancing the understanding of the United Nations system and its organs and procedures, strengthening the skills relevant to conferences and negotiations and supporting efforts to build a more effective multilateral system.

OBJECTIFS DU COURS

Each individual workshop will have a specific set of learning objectives, but the learning objectives of the diploma as a whole are as follows:

1. Develop a critical understanding of contemporary bilateral and multilateral diplomacy challenges;
2. Demonstrate a comprehensive, substantive and practical knowledge of the United Nations system, Digital Diplomacy, Diplomatic Protocol, Conference Diplomacy and Multilateral Negotiation, etc;
3. Critically evaluate strengths and weaknesses related to negotiation skills and techniques, drafting, negotiating and adopting UN resolutions, leadership skills, public speaking and communication;
4. Produce a research paper that extends beyond the theoretical content of a workshop and relates to participants’ professional work;
5. Perform efficiently and effectively in both bilateral and multilateral working environments with increased confidence.

CONTENU ET STRUCTURE

The 2026/2027 edition of the **Executive Diploma in Diplomatic Practice** programme will be made up of two main components:

Training Workshops – 8 skills-based workshops, which will aim to be cross-cutting and to equip participants with knowledge and practical competences to enhance their expertise in multilateral settings, and to enrich their professional performances. The topics envisioned for the next edition are:

For this requirement, participants must provide a more in-depth analysis and argumentation on a chosen theme covered in the course or related to multilateral diplomacy.

MÉTHODOLOGIE

Participants are required to attend at least 6 of the 8 Core Diplomatic Training (CDT) workshops offered by UNITAR's Multilateral Diplomacy Programme (MDP) from November 2026 to June 2027;

In exceptional circumstances, it will be possible for participants who cannot attend 8 workshops to take up to 2 of MDPU's e-Learning courses instead of 2 CDT workshops;

Participants will engage in simulation exercises during the workshop, which trainers will assess in accordance with the learning objectives of each workshop on a pass or fail basis;
