CONTEXTE

Given the complexity and number of processes that will contribute to the development of the Post-2015 Development Agenda, United Nations Institute for Training and Research (UNITAR) is organizing a series of interactive technical briefings for members of delegations, other government officials and a limited number of international civil servants at the Palais des Nations in Geneva. The overall objective of the briefings is to strengthen knowledge for evidence-based decision making in the formulation of the Post-2015 Development Agenda to be

agreed by Member States in September 2015.

OBJECTIFS DU COURS

The series will feature around 10 different sessions, and will

- Assist participants to access the most up-to-date and essential information coming from the numerous processes that will contribute to the Post-2015 agenda, and key outcomes of ongoing Member States' discussions in various fora, as well as allowing newly arrived delegates to 'catch up';
- Provide a dynamic and interactive space where delegates can exchange views on the Post-2015 development agenda and have a more in-depth discussion, as needed.

The briefings will be facilitated by prominent experts and involve peer-to-peer learning and active involvement of members of delegations. An online resource platform will also be available to support the learning experience.
