Coaches selected from the most committed and capable graduates of previous Fellowship Cycles constitute the Fellowship's mentoring arm in Afghanistan. To guide and support the Coaches in fulfilling their roles a

MÉTHODOLOGIE

The Coaching for Coaches Module starts before the official launch of the Fellowship. Throughout the year eight web-based seminars, and two on-site working sessions are conducted. The on-site working sessions also include Fellows and Mentors, ensuring that all players develop a better understanding of their roles and what is expected of them.

To facilitate the Coaches' responsibility of guiding the Fellows through their assignments, the first six web-based sessions are conducted *prior* to the official launch of the Fellowship with a view to ensuring their timely preparation. Two subsequent web sessions conducted during the Fellowship Cycle primarily focus on the challenges faced by Coaches thus far. Prior to each session, Coaches are given assignments and background readings. In addition they are asked to facilitate the Fellowship Orientation workshop, the UNITAR-ACTRA Web Seminars (ACTRA is an alumni association of Afghan professionals trained by UNITAR), as well as After Action Reviews at workshops I, II and III throughout the Cycle.

AUDIENCE VISÉE

The Seminar Series is offered to the Fellowship Alumni who are selected as Coaches, new international Mentors, as well as Afghan Faculty-in-training. The Series consists of eight seminars and hands-on training, and UNITAR awards certificates to those who complete the full Cycle as Coaches.
