ARRIÈRE PLAN

This massive open online course (MOOC) provides key information and tools on how to strengthen the engagement of stakeholders from different sectors and levels in the implementation and follow up of the 2030 Agenda and the Sustainable Development Goals (SDGs).

This course is a self-paced course requiring around 10-12 hours of effort in total.

OBJECTIFS DE L'ÉVÉNEMENT

This event complements a range of other capacity development activities being rolled out, among other, by UN Secretariat to meet the needs of both governments and other stakeholders with regards to the 2030 Agenda and HLPF process.

CONTENU ET STRUCTURE

- Module 1. Understanding the need for stakeholder engagement in the 2030 Agenda at the national level
- Module 2. Learning about approaches and tools for strengthening stakeholder engagement for the SDGs
- Module 3. Designing successful strategies for stakeholder engagement in national implementation and review processes for the 2030 Agenda

MÉTHODOLOGIE

This e-learning course consists of three modules developed around the overall learning objectives, as well as second-level learning objectives specific to each module. Each module has 3 units and an objective assessment.

AUDIENCE VISÉE

This e-learning course targets governmental officials but also other stakeholders such as UN staff, local governments, civil society and others who expressed an

interest in taking this course.

INFORMATIONS SUPPLÉMENTAIRES

Upon registration for the course, you would receive an e-mail with instructions on how to enroll for the course. Should you not receive it within an hour of successful registration, please kindly contact a2030 [at] unitar.org (a2030[at]unitar[dot]org)
