(To be confirmed)	
Duration:	1 Days
Thematic Area:	Peacekeeping
Website:	https://women2lead.unsdglearn.org/
Price:	$0.00
Event Focal Point Email:	ptp@unitar.org

BACKGROUND

This microlearning course is designed to equip a wide range of peacebuilder, of all levels of experience, with the necessary knowledge and skills to **enhance women's participation** in peace processes in their communities and beyond.

This course is part of the **One UNITAR Gender initiative**, which aims to empower more women around the world, especially in developing countries and least developed countries, to strengthen their leadership skills and feel empowered to apply and share their knowledge with others.

You can complete this mobile learning course in only 60 minutes. The course is easily accessible on a phone or tablet at your own pace. If the Internet is unstable, you can download lessons and learn offline. The course is published on the Educate All learning platform EdApp. Access is public and free of charge.

To register, go to the EdApp website and select "Self-enroll".

LEARNING OBJECTIVES

After completing the course, you will be able to:

- Explain key concepts of conflict, peace, and security and how they relate to real-life situations.
- Examine how women, peace, and security agenda shapes conflict, peace, and security concepts through a gender lens.
- Describe the key concepts and approaches of conflict prevention and the steps for preventing conflict at a community level.
- Analyse the importance of mediation as a tool for conflict resolution and the fundamental processes that lead to successful mediation

CONTENT AND STRUCTURE

METHODOLOGY

This course is **self-guided**, **self-paced** and follows a **microlearning training approach**, focusing on delivering information in small learning units. Lessons contain interactive activities, mini case studies to apply what you have learned, self-reflection questions and inspiring examples. This course does not have a learning assessment; therefore, no certificate of completion will be issued.

TARGETED AUDIENCE

This course is intended for a wide range of **leaders for Peace of all levels of experience**, as well as community leaders who are looking to enhance their ability to support the communities they work with. This includes a wide range of leaders for Peace of all levels of experience, especially women peacebuilders, as well as community leaders looking to enhance their ability to support the communities they work with.
