BACKGROUND

I Am A Scientist is an STEM outreach program that delivers exceptional hands-on STEM activities to Hawai'i and the broader Pacific. IAS is free and visits different classrooms and community events offering STEM activities that focus on biology, chemistry, forensic science, and more while focusing on the techniques and

equipment. The purpose is to make STEM more accessible and less intimidating. This month, IAS visited HTA offering a plant biology lesson!

EVENT OBJECTIVES

plant biology, sustainability, culturally relevant education

LEARNING OBJECTIVES

plant biology, sustainability, culturally relevant education

CONTENT AND STRUCTURE

none - classroom outreach

METHODOLOGY

microscopy activity and observation practice for third graders

TARGETED AUDIENCE
