---

## BACKGROUND

Join UNITAR and Loughborough University for an open webinar introducing the new academic pathways of the programme in [Climate, Energy and Humanitarian Action](#). This interdisciplinary learning experience is designed for professionals and graduates engaging with climate risk, energy transitions, and humanitarian

response.

📅 3 March 2026 at 5 p.m. CET

## EVENT OBJECTIVES

- How are climate and energy systems redefining humanitarian action?
- What makes the programme academically distinct and professionally relevant?
- Who is the programme designed for, and how does flexible distance learning support working professionals?
- Entry routes, exit awards, and opportunities for the 2026 intake.

## TARGETED AUDIENCE

Whether you are already working in policy, development, or humanitarian contexts, or preparing to enter the field, this session will help you reflect, learn, and plan your next step.
