BACKGROUND

Sustainable Development Goals emphasise poverty eradication, inclusive growth, environmental sustainability, equality and a people-centred agenda within 17 goals and 169 associated targets. Education plays an important role across all SDGs, driving progress towards sustainable development. Whilst education outcomes cut across the SDGs, SDG4 specifically addresses education – ensure inclusive and equitable quality education and promote lifelong learning

opportunities for all – and encompasses 10 targets.

This course presents an opportunity to deepen their knowledge on education and its role in other aspects of development.
