BACKGROUND

This is a 2-month certified e-learning course that is self paced for you to manage your workload, as per your convenience.

The overall aim of the course is to strengthen the competences required by public sector leaders and public servants for the achievement of the Sustainable Development Goals, to recognize the most important skills required for effective

leadership, and to gain a comprehensive overview of the current and future challenges public leaders are facing.

Certificates, issued by the UN Assistant Secretary General, Executive Director of UNITAR, will be issued upon successful completion.

LEARNING OBJECTIVES

At the end of the course, participants will be able to:

- Describe different approaches to leadership
- Recognise the specific challenges facing public sector leaders
- Describe the potential benefits and costs of collaboration in the context of achieving development results
- Describe the role of public leaders in achieving the SDGs
- Identify the leadership skills necessary to manage future challenges.
