The workshop focused on educating and empowering leadership teams within GTFoods to manage workplace diversity effectively. It addressed the challenges and opportunities related to integrating migrant workers into the workplace, providing strategies to create a more inclusive and welcoming environment. The session was highly interactive, with a focus on practical approaches to leadership in diverse workplaces.

The training employed a mix of theoretical and practical approaches, with case studies, group discussions, and role-playing exercises aimed at improving the participants' ability to lead and manage a diverse workforce. The emphasis was on developing an inclusive mindset and understanding the specific needs and contributions of migrant workers within the company.

130 leaders from the industrial plants in Paraíso do Norte and Terra Bo
