☐☐	:	https://cifalistanbul.org/
☐☐	:	US\$0.00
☐☐☐☐	email:	cisil.sohodol@eas.bau.edu.tr
☐☐	:	Netflix, Bahçeşehir University, CIFAL Istanbul

This event covers a conversation with the creators, actors, and other key individuals behind the production. The purpose of the interview was to provide insight into the making of the show, the inspiration behind the story, and the cultural and historical elements depicted in the series. It also served as a way to engage viewers and press, offering behind-the-scenes stories, discussions on historical accuracy, and reflections on the series' relevance to modern-day themes.

The event "Netflix: Midnight at the Pera Palace Interview" would feature a panel discussion with the creators, actors, and key individuals behind the series. The content would explore the inspiration behind the show, its cultural and historical themes, and the challenges of balancing historical accuracy with storytelling. Participants would discuss the significance of the Pera Palace Hotel and the historical events depicted, while reflecting on the series' relevance to modern-day issues. The event would also include behind-the-scenes stories and insights into the production process, followed by a Q&A session for audience engagement.

The methodology for this event involve a structured interview format, where key creators and actors discuss the series' development, historical context, and themes.
