The **Violeta Summit 2024** is a high-impact conference aimed at **promoting gender equality, women's empowerment, and inclusive social development**. Organized by **Ekos in partnership with CIFAL Ecuador**, this event brings together thought leaders, policymakers, business executives, civil society representatives, and advocates to discuss **key challenges and**

solutions related to gender equity, diversity, and inclusion.

The summit serves as a platform to **highlight best practices, share innovative strategies, and foster dialogue on advancing women's rights and leadership opportunities across sectors.**

- To **raise awareness** on the importance of gender equality and women's empowerment.
- To **showcase best practices and policies** that promote equal opportunities.
- To **engage decision-makers and business leaders** in conversations about gender-inclusive policies.
- To **promote multi-sectoral collaboration** in achieving **SDG 5 (Gender Equality)** and related Sustainable Development Goals.
- To recognize **women leaders and organizations** making significant contributions to gender equality.

- **Keynote speeches** from distinguished leaders and experts in gender equality.
- **Panel discussions** on critical topics such as **women's leadership, workplace inclusion, and gender-responsive policies.**
- **Workshops and interactive sessions** focusing on practical solutions for gender equity.
- **Recognition of outstanding women and organizations** promoting gender equality in Ecuador.
- **Networking opportunities** for participants to exchange ideas and foster collaboration.

- **In-person presentations and expert panels** discussing global and local perspectives.
- **Interactive discussions** with audience participation.

- **Live case studies and testimonials** from women leaders in business, government, and civil society.
- **Recognition of best practices** in gender equality and inclusion.

- **Government officials and policymakers** involved in gender and social policies.
- **Business leaders and HR professionals** implementing diversity and inclusion strategies.
- **Academics and researchers** focused on gender studies and social development.
- **Civil society organizations and NGOs** advocating for women's rights.
- **Youth and emerging leaders** interested in gender equality and social change.

The **Violeta Summit 2024** aligns with **SDG 5: Gender Equality**, as well as broader social and economic inclusion goals. By leveraging the expertise of CIFAL Ecuador and Ekos, this summit aims to **drive meaningful action** toward a more equitable and inclusive society.

In previous editions, the summit has contributed to **policy recommendations, corporate diversity strategies, and awareness campaigns** that have influenced national and regional discussions on gender equity.

The event is expected to **attract a diverse audience** from government, private sector, academia, and civil society, **fostering collaborations that drive sustainable impact.**
