The United Nations Institute for Training and Research's (UNITAR) Online Diploma in Multilateral Diplomacy offers a unique opportunity for both students wanting to pursue a career in international relations, and professionals working in international and regional organizations as well as governmental and non-

governmental institutions, to expand their knowledge on international affairs and strengthen their capacities in the field of multilateral diplomacy.

Through online training, UNITAR brings participants and trainers together in a unique virtual learning environment. All courses build on UNITAR's wealth of experience in designing and implementing training workshops on diplomacy and multilateral affairs at the country and regional levels. e-Learning provides specific advantages for geographically and time constrained individuals to obtain valuable information for their day-to-day operations and future projects.

□□□□

After completing the Diploma, students should be able to :

• Demonstrate a comprehensive, substantive and practical knowledge of the current challenges in international affairs and diplomacy;

• Perform in both bilateral and multilateral working environments with increased confidence;

• Develop analytical skills and critical thinking;

• Advance their career through the acquisition of skills that are highly valued in an international working environment.
