The main component of the **Executive Diploma in Diplomatic Practice** is a series of 8 workshops, which fall within UNITAR's **Core Diplomatic Training (CDT)**.

The format of the programme consists of two-day executive-style training workshops, delivered face-to-face to diplomats and other beneficiaries so that

they can perform effectively in multilateral environments. The workshops take place at the Palais des Nations, UNITAR premises, or another venue in Geneva, Switzerland.

UNITAR has been delivering CDT courses since its inception in 1965 and the courses are traditionally considered the “core” training of the Institute. By definition, CDT implies training that is multilateral in character and offered in a multilateral context. All Member States and the United Nations, collectively, benefit from greater knowledge on how to operate in the multilateral setting and perform effectively and efficiently.

CDT covers training in international cooperation and multilateral diplomacy, and is aimed at enhancing the understanding of the United Nations system and its organs and procedures, strengthening the skills relevant to conferences and negotiations and supporting efforts to build a more effective multilateral system.
