The July 2025 Cohort Global Diplomacy Bootcamp expands on the topics and courses introduced in its inaugural session, placing greater emphasis on in-field experience and analysis. This summer session covers ongoing topics at the UN as Member States and agencies prepared for the Summit of the Future and the Annual General Assembly. Participants will study the process of drafting and reaching resolutions under the guidance of experienced negotiators and will engage in peace mediation exercises. This cohort will offer participants a vivid experience of high-level negotiations, showcasing how effective leadership and

negotiation skills can help minimize conflicts.
