E-waste Academy in Saudi Arabia : 20 10 2025 П: Seminar Π : Riyadh, Saudi Arabia m : 21 10 2025 to 23 10 2025 □ : 3 Days Environment, , Chemicals and Waste Management Π : https://academy-ce.info/ Π : US\$0.00 email: ППП elena.dangelo@unitar.org П: UNEP (502)

UNEP West Asia and UNITAR's SCYCLE Programme jointly organized the first-ever E-Waste Academy in Saudi Arabia.

The Academy offered a broad curriculum tailored to the needs of emerging ewaste systems in the Kingdom. Key topics included:

- E-waste regulation and policy frameworks
- E-waste collection and environmentally sound treatment
- Transboundary movement of e-waste
- Extended Producer Responsibility (EPR) and financing mechanisms
- Quantification and monitoring of e-waste flows
