The United Nations Institute for Training and Research (UNITAR) was established in 1963 as an autonomous body within the United Nations with the purpose of enhancing the effectiveness of the work of the UN and its member states.

UNITAR designs and conducts close to 500 different training and knowledge sharing events per year for some 50,000 beneficiaries worldwide. Participants include diplomats, other government officials, non-governmental representatives, and other stakeholders.

At the heart of UNITAR, the Multilateral Diplomacy Programme Unit (MDPU) delivers training workshops to address the needs of these international actors. MDPU’s activities cover a wide range of domains, including training on the UN system and skills development.

□□□□

UNITAR designed a blended program consisting of a 4-weeks e-Learning course followed by a 5-day field visit to Geneva, offering participants a full immersion into the United Nations' multilateral working environment.

In line with UNITAR’s mandate, its main purpose is to enhance participants’ knowledge and skills in the area of international affairs and diplomacy. This will empower them to work more effectively and efficiently in any multilateral setting.

UNITAR further intends to strengthen the participants’ conviction of the principles enshrined in the UN Charter, especially multilateralism. It lastly aspires to give its participants access to UN institutions and personnel in order to gain valuable insights into future career opportunities.

□□□□

The UN Geneva mmersion Programme serves to provide an overview of the United Nations. It will help participants build knowledge on international affairs, deliver training in core diplomatic skills and offer activities with Geneva-based agencies. At the end of the Immersion Programme, participants should be able to:

- Explain key components of the United Nations’ system and its agencies
- Familiarize oneself with International Geneva as a city of multilateralism
- Apply core skills and techniques of common diplomatic practice
- Develop critical knowledge for careers in international organizations

ii) Field Visit to Geneva (12 - 16 July 2027)

Hosting 35 international organizations and more than 250 NGOs, the city of Geneva offers itself for a whole series of potentially formative experiences. UNITAR hosts most of the activity in the headquarters of the World Meteorological Organization (WMO) and provides a nuanced balance between the following different components:

Expert Lectures:

UNITAR’s professional network across Geneva allows it to organize a series of 1-2-hour expert lectures, in which participants can directly learn from UN personnel or other high-level officials. Previous programmes have included lectures from the following organizations:

- United Nations Office at Geneva (UNOG)
- United Nations High Commissioner for Refugees (UNHCR)
- International Labour Organization (ILO)

Training Workshops:

As its core activity and raison d’être, UNITAR provides several face-to-face workshops to the participants. Delivered by experts such as retired ambassadors, previous programmes have included the following workshops:

- Negotiation Skills

Given the complexity of Geneva's multilateral environment, UNITAR will cover a series of different thematic areas during the course of the Programme. These will include peace and security, human rights and humanitarian affairs, global health and well-being, trade and technology as well as the environment and sustainable

development.

The Immersion Programme is designed to be highly interactive and participatory. Activities will include a high level of direct exposure to policy practitioners and diplomatic settings, thereby allowing participants to gain thorough knowledge and understanding of the United Nations.

All of the activities will take place in the English language.

UNITAR welcomes a variety of professional backgrounds as well as differing degrees of experience among its participants. The Immersion Programme is therefore open to all actors related to international affairs wishing to build up knowledge and skills related to the United Nations or International Geneva.

In order to ensure the highest possible quality during the field visit, registration will be closed after 30 participants. Allocation of slots will be on a first-come, first-served basis. At the end of the Immersion Programme, participants will be awarded a UNITAR certificate of completion.
