The main component of the Executive Diploma in Diplomatic Practice is a series of 10 workshops, which fall within UNITAR's Core Diplomatic Training (CDT).

The format of the CDT consists of 2-days executive-style training workshops, delivered face-to-face to diplomats and other beneficiaries at major UN locations so that they can perform effectively in a multilateral environment. These workshops will take place at the Economic and Social Commission for Western Asia (ESCWA) in Beirut, Lebanon.

UNITAR has been delivering CDT courses since its inception in 1965 and the courses are traditionally considered the "core" training of the Institute. By definition, CDT implies training that is multilateral in character and offered in a multilateral context. All Member States and the United Nations, collectively, benefit from greater knowledge on how to operate in the multilateral setting and perform effectively and efficiently.

CDT covers training in international cooperation and multilateral diplomacy, and is aimed at enhancing the understanding of the United Nations system and its organs and procedures, strenghtening the skills relevant to conferences and negotiations and supporting efforts to build a more effective multilateral system.

Each individual workshop will have a specific set of learning objectives, but the learning objectives of the diploma as a whole are as follows:

1. Develop a critical understanding of contemporary bilateral and multilateral diplomacy challenges;

2. Demonstrate a comprehensive, substantive and practical knowledge of the United Nations system, Digital Diplomacy, Conference Diplomacy and Multilateral Negotiation etc.;

3. Critically evaluate strengths and weaknesses related to negotiation skills and techniques, drafting, negotiating and adopting UN resolutions, leadership skills, public speaking and communication;

4. Produce a research paper that extends beyond the theoretical content of a workshop and related to participants' professional work;

5. Perform efficiently and effectively in both bilateral and multilateral working environments with increased confidence.

Follow-up Stage - At the end of the programme, attendees who have worked towards receiving the Executive Diploma will be further evaluated in the same vein as the first component, in order to assess their learning margins after the completion of the trainings. This process will allow for consistent and thorough monitoring of participants' progress, and will serve as a final phase in their learning cycle.

Research Paper - The final requirement to obtain the Executive Diploma will be the submission of a research paper of between 3,000 and 5,000 words. For this requirement, participants must provide a more in-depth analysis and argumentation on a chosen theme covered in the course or related to multilateral diplomacy.

□□

Participants are required to attend at least 8 of the 10 Core Diplomatic Training (CDT) workshops offered by UNITAR's Multilateral Diplomacy Programme Unit from April 2020 to January 2021.

Participants will engage in simulation exercises during the workshop, which trainers will assess in accordance with the learning objectives of each workshop on a pass or fail basis.

In exceptional circumstances, it will be possible for participants who cannot attend 10 workshops to take up to 2 of MDPU's e-Learning courses instead of 2 CDT workshops.

All participants will submit a final Research Paper based on the material covered in one of the workshops. The Research Paper is to be turned in latest by March 2021 after the last workshop in January.
