This interactive online workshop taking place during three consecutive half days is meant to provide information and knowledge on the topic Stakeholder Engagement, covering various skills and techniques.

The e-workshop will take place at 13.00-17.00 (CEST) for the three days (approximately 12 training hours total).

###

This e-workshop will take place at 13.00-17.00 CEST from 29 September to 1 October 2020 and will discover different themes of Stakeholder Engagement. All participants will take part in highly interactive exercises in order to further enhance the participants' understanding of the topic.

⬜⬜

This e-workshop will take place on the platform Zoom and will be facilitated by an expert on the theme during three half days. The material presented in the workshop will be interactive and possible assignments will be given for participants to further advance their knowledge.

Participants successfully completing the e-workshop will be awarded a certificate of participation.

⬜⬜⬜

The course is open for anyone with an interest to discover and gain more knowledge about the selected topic. No prior knowledge or skills are needed to participate.

Please note that there are limited spots available for this e-workshop.
